INDUSTRIAL PACKING, LASHING & CRATING

CSS Group is one among the leading companies providing industrial crating & lashing logistics solutions. Industrial Packing Department at CSS has been providing complete industrial packing services within the United Arab Emirates. Along with industrial packaging solutions for general cargo, we specialize in crating fragile items (glass, mechanical items etc.), sensitive cargo (laboratory equipment, calibration equipments etc.) and heavy cargo (generators, turbines etc.).

Services Offered:

- Wooden Crating / Packing of Industrial & Project Cargo
- Harbour services (providing lashing services on board vessels and boats)
- Shrink Wrapping & Heat Wrapping
- Vacuum Packing
- Aluminum Barrier Packing (Anti Corrosive Packing)
- VCI Foil Packing (Anti Corrosive Packing)
- Honeycomb Packing
- Vehicle lashing (containerized)
- Provide lifting solutions
- Land Transportation of packed cargo
- Heat Treatment / Fumigation with ISPM 15 stamp and Certification
- Arrangement of Third party surveyors for supervision of operations and certifications
- Project reports upon completion of jobs
