## Office Memo reads:

Dear Staff,

*It is advised that you come to work dressed according to your salary. If we see you wearing Prada sneakers and carrying a Gucci bag we assume that you are doing well financially and therefore you do not need a raise.*

*If you dress poorly, you need to learn to manage your money better, so that you may buy nicer clothes and therefore you do not need a raise.*

*If you dress in-between, you are right where you need to be and therefore you do not need a raise.*
