

CSS Logistics L.L.C.

CSS Logistics L.L.C. is an established and vibrant company with substantial experience within the freight forwarding and logistics industry. As a logistics solution provider that has displayed unmatched prowess and skill in its operations along with its dedication in rendering quality services, CSS Logistics stands forth as a key player in the field of freight forwarding and logistics business. Established in 2006, CSS Logistics within 3 years of operation has stretched itself far and wide by setting up a global network along the way and establishing an unimpeded, fast & efficient air freight, sea freight and sea/air transshipment service to the Upper Gulf, Europe and USA. CSS Logistics expertise in projects handling has earned them an agency agreement with Ariana Afghan Airlines in the UAE, who operate daily flights to Afghanistan.

Strategically located at DAFZA (Dubai Airport Free Zone); CSS Logistics lies in the cargo terminal 02 of Dubai International Airport which enhances the feasibility of handling Projects and Charters on a daily basis. As an added advantage, CSS Logistics makes optimum use of complete documentation and operational facilities that are made available at DAFZA. A standing gateway to the international market, DAFZA is considered as one of the fastest growing free zones in the region.
