

CHAIRMAN'S MESSAGE

Completing 25 years is a milestone that only a few companies manage to reach. To be precise, A quarter of a century is certainly to be celebrated! While it's a time of celebration, it is also a time for reflection. As we turn back and look at the path we have trodden, we need to stay focused on the future.

The Consolidated Shipping Group's determination to succeed is the mantra that has helped us overcome all boundaries and weather any storm that has come our way. Our growth over the last 25 years can be attributed to unconditional support from our loyal customers, global network partners, shipping lines, airlines, land transport operators, business associates and institutions, and above all, our fantastic team of employees.

Over these two decades, we have been continuously adapting to our customers' changing needs. The company has enriched its expertise to become a tier-one logistics and freight forwarding partner in the GCC, with integrated logistic networks in Africa, the Middle East, Europe, Asia, Oceania, and the Americas.

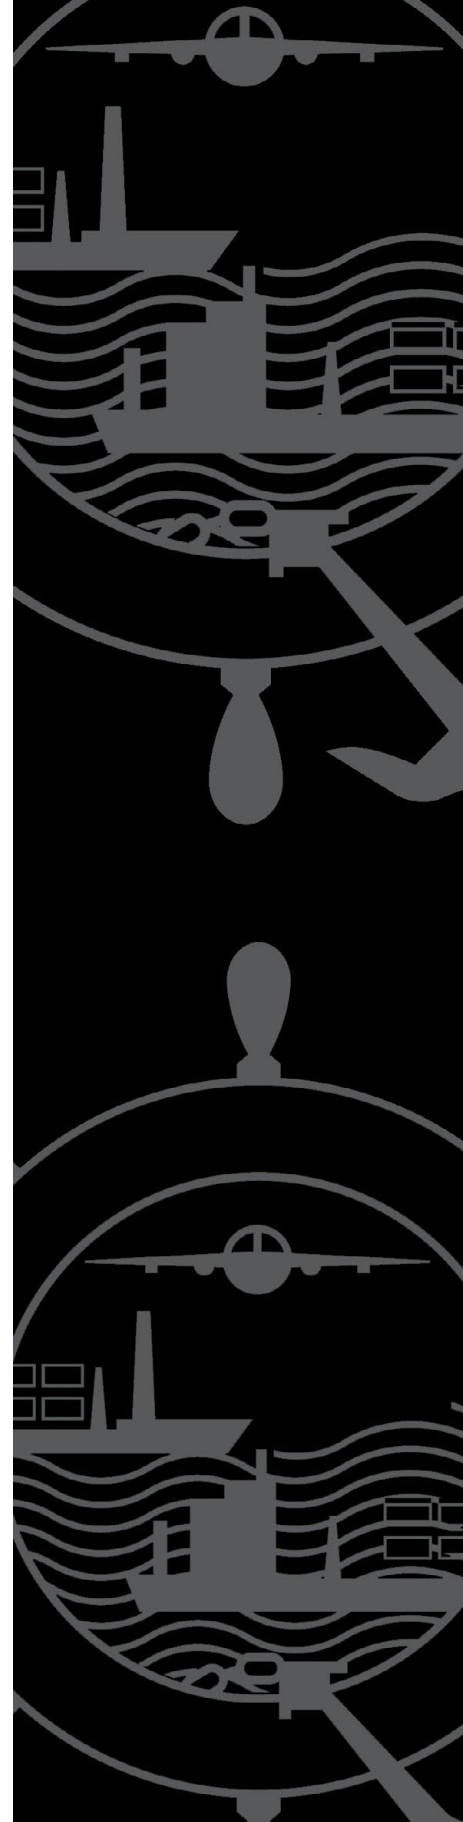

The Consolidated Shipping Group delivers custom-fit solutions with a high added value that draws on our in-depth experience and understanding of various industries and the constant quest for improvement and optimization that is central to the company's own culture and values. Team CSS's determination to be amongst the best in the region has seen us establish a young and vibrant team with a single-minded proposition of ensuring 'Customer Satisfaction'.

Today, having completed over 25 years of service, we have grown to encompass a group of companies with over 750 professionals, offering Integrated Freight Forwarding & Logistic Solutions to an international clientele. To mark our 25th year in business, we have extended our footprint with a new office at the Hamriyah Free zone.

With a philosophy of nurturing business relationships and promising mutual growth, the Consolidated Shipping Group has what it takes to be your Freight Forwarding & Logistics partner.

T. S. Kaladharan

Founder & Chairman, CSS Group

ABOUT CONSOLIDATED SHIPPING SERVICES GROUP

Consolidated Shipping Services Group is one of the fastest growing NVOCC in the region it operates. Headquartered in Dubai, United Arab Emirates, the CSS Group is spearheaded by its Founder and Chairman, T. S. Kaladharan.

A renowned name in the freight forwarding industry, Consolidated Shipping Services L.L.C. is certainly a company to reckon with in the GCC. The CSS Group today is one of the leading integrated freight forwarding solutions provider, with 25 years of experience.

The company - through its corporate diversity and willingness to keep learning and relearning – has earned its collective experience within the industry. With a team consisting of over 750 experienced and dedicated professionals across 26 offices, CSS is able to meet a client's freight forwarding requirements - be it by sea, land or air.

The CSS Group adapts itself to the latest trends in the industry, offering efficient and feasible solutions to its clients' and associates.

PROJECTS, OIL & ENERGY

The CSS Group's Projects, Oil & Energy division is a proven success in the Middle East. Providing end to end solutions in project management, the company is seen as an expert in the global energy business.

The needs of our customers drive our business while our core competencies are closely aligned with their requirements. We carefully study the geographical and product mix of our clients to provide the best solutions while optimizing their business, saving them time and money. Our customers know they can count on us for flexible scheduling, and efficient management.

But despite flexible scheduling for our customers, our HSE policy is one that is strongly adhered to and provides a safe place for our employees and business associates, avoiding hazards and ensuring zero incidents.

SERVICES

- Every logistical aspect is managed during the project's contracted period
- Management defined strictly by the complexity of cargo
- Monitoring purchase orders globally, with updates
- Dedicated hands-on projects/contract coordination
- Expert on-site supervision at origin/destination or any other transit point, if required
- Technical planning for all heavy lifts and over dimensional loads via special trucks, barges, ocean vessels and aircrafts
- Optimal combination of liner services and part/full charters to meet project and contract needs
- Detailed and accurate documentation with updated status reports
- Advice on optimal cargo specifications to minimize cost and maximize safe handling

EXHIBITION & EVENT LOGISTICS

This dedicated division in the CSS Group specializes in logistics involving events, exhibitions, trade shows and motorsports, providing end-to-end logistical solutions locally and internationally.

The division is also equipped to handle fine art logistics.

CSS Group's Exhibition & Event Logistics coordinates with a client's counterparts or principals, performs import or export customs formalities, pre-storage of materials and timely delivery to the event/exhibition site. The team provides unpacking and repacking services, labor assistance and delivery back to the client's warehouse or the next destination of the exhibition.

The team also supports exhibitors with exhibition stand design according to site infrastructure regulations.

SERVICES

- Turnkey solutions
- Pre and post exhibition movements
- Local and international logistics
- Specialized in handling high-value cargo and fine arts
- All documentation work managed for the movement of cargo
- Assistance provided in designing and installing booths

CHR NETWORKS

CH Robinson Worldwide Inc. (CHR) and Consolidated Shipping Services (CSS) have been in a strategic partnership since 2010. This mutual relationship has been instrumental in CSS connecting the world and digitizing supply chains, and creating a global footprint. The association has given rise to a global suite of services that involve delivering products and goods that drive the world's economy.

Formed in 1905, CH Robinson Worldwide Inc. has a gross revenue of \$21B and has over 15,000 employees and 120,000 customers worldwide. CHR is also aligned with more than 73,000 carriers and suppliers worldwide. CHR tops the chart in NVOCC for Trans-Pacific shipments from Eastbound China to the US, and also stands in the second position for Trans-Pacific shipments from Eastbound Asia to the US, US to Oceania, and Eastbound India to the US. Today, CHRW enjoys the position of being the world's largest logistics platform.

The CSS Group is the leader in providing integrated freight forwarding solutions in the Middle East. With 25 years of experience, CSS is one of the leaders in NVOCC and Freight Forwarding services in the region it operates. Today, CSS has over 750 experienced and dedicated professionals across with over 26 offices worldwide with the ability to meet a client's freight forwarding and SCM requirements - be it by sea, land, or air. CSS offers competitive rates and space with major liners for all consolidated shipments. With a network that spans the world, we provide a complete suite of logistical solutions.
